

What is Coffee Talk?

“Coffee Talk” is a casual gathering of people in our gathering area once a month. It is a time to examine a particular topic or look at a theological question and discuss it among those who are in attendance. This is designed for mature Christian and those who are simply seeking answers about faith, life, the Bible, and Jesus. It is a nonargumentative time of digging deeper into topics which are important to us and our faith. Most “Coffee Talks” will take place on the first Sunday night of the month and begin at 6:30 pm. If you think of a topic or question you would like to have addressed during a “Coffee Talk” please submit them to the pastor.
